In the summer many need a light tonic, and this Lager appears to be better adapted to such cases than the heavier Ales and Porters.

COURT RECORD.

Probate Court—Judge Cleveland.

The will of the late Mrs. Thomas Forsyth was offered for probate yesterday afternoon. The estate, it is estimated, will amount to \$100,000. It is to be equally divided between the three children, William H. Forsyth, T. Gordon Forsyth and Mrs. Seavey. Thomas White of New Brunswick and Judge Julius C. Cable were named as executors.

INSANE.

Mrs. Rosie Dinis was committed to the insane retreat at Middletown yesterday by order of Judge Cleveland, who held a hearing on her case yesterday morning. The hearing was held on application of Town Agent Baldwin.

Mrs. Dinis is a daughter of the late Christian Schenck. She has lived in the attic of her brother's house at 729 Goff street for the last twelve years. Ernest E. Moeller, who lives next door, is her conservator. The matter was brought to the attention of the authorities by reports from neighbors that the woman, who has always been feeble minded, was being ill-treated by her relatives and was living in a state of indescribable filth and squalor. Upon investigation the authorities found that the room in which she has been confined was covered with zinc and the only thing in the room was a bed of straw. Dr. Tuttle and Elliot, who examined into the woman's sanity, testified that she was undoubtedly insane, but also that she had received as good care as was possible under the circumstances. Judge Cleveland said that he was satisfied that her relations had done what they could for her but thought the asylum was the proper place for her to be.

A \$15,000 ESTATE.

Fanny May Crowthers, the eight year old child of Mr. John C. Crowthers, was awarded the estate of \$15,000 left her by her mother. Her relatives claimed that she was an adopted child. Dr. W. A. Miner of Sing Sing, N. Y., testified that the allegation was untrue. Her father is a minister in Rutland, Pa.

The suit is brought by Attorney Edward J. Maher, and is returnable before Justice of the Peace George C. Hall next Saturday.

Cowles claims that he has sold the outfit to his brother, and threatens to have it replevined.

SOON TO BE WARMER.

The Coldest Morning for a Month. Observer Myers of the local weather bureau announced yesterday that a change in the weather may be expected to-day. Yesterday was the coldest for a month, the thermometer registering an even 50 degrees at 4 o'clock in the morning. The temperature will not vary much until this afternoon, when it will grow slightly warmer and a rain, indicated for to-night, will probably preface a warmer spell.

A False Diagnosis.

La grippe is confounded by many persons with a severe attack of catarrh, which in some respects resembles the former. These individuals suffer severely with pain about the forehead, eyes and ears, with soreness in the throat and stoppage of the nasal passages, and in fact, are incapacitated for work of any kind for days at a time. These are catarrhal sufferers. Ely's Cream Balm has been used with the best results in such cases. The remedy will give instant relief. au21 3d editw
